Subject No. 46.

Transfer of Hole-Narsipur Munsiff's Court to Channarayapatna.

Messrs. B. Tirunarana Iyengar and Padmarajaiya.

Summary of discussion.—Great inconvenience is caused to parties for want of a bridge over the Hemavat river near Srinivaspur on the Channarayapatna-Hole-Narsipur road. For some time the traffic is entirely stopped owing to heavy rains and high winds. The Munsiff's Court at Hole-Narsipur may therefore be transferred to Channarayapatna with needful change in the jurisdiction, Hole-Narsipur Taluk being added on to Hassan Sub-Judge's Court, Krishnarajpete, Nagamangala and Channarayapatna Taluks coming under the jurisdiction of Channarayapatna Munsiff's Court.

Reply of Government.—Hole-Narsipur is central for its present jurisdiction including Hole-Narsipur, Arkalgud and Channarayapatna Taluks. Moreover a fine building has been erected at Hole-Narsipur for the Munsiff's Court. The inconvenience mentioned is likely to be obviated by construction of a cross road leading from the Channarayapatna-Hole-Narsipur road lying to the north of the Hemavati river to join that main road with the Hole-Narsipur bridge. The necessity for the road will be enquired into.

Subject No. 47.

Mr. Kharebhama Narasimhaiya Setty.

Summary of Discussion.—Pray for the sanction of a Munsiff's Court at Closepet for the convenience of Magadi, Channapatna, Closepet and Kankanhalli Taluk people.

Reply of Government.—Not necessary.

Subject No. 48.

Revision in the jurisdiction and location of Kolar Gold Fields Munsiff's Court.

Messrs. C. B. Gopal Rao and Muddarajappa, (Kolar Municipality).
Mr. Gundu Rao, Bowringpet Taluk)

Summary of Discussion.—Great inconvenience is felt by the litigants of Malur and Mulbagal Taluks by reason of the Court being located at Robertsonpet where accommodation for the public is not available.

The litigant public of Malur and Mulbagal will be greatly relieved of the difficulties if the jurisdiction over these two Taluks be restored to the Kolar Munsiff's Court.

There is no necessity for a separate Court as the Munsiff of Kolar can hear the cases of these two taluks as heretofore.

If, however, a separate Court is necessary for the Gold Fields, the Court may be located at Bowringpet where the litigant public can command some convenience.

Reply of Government.—Not necessary to remove the Court at present; but to minimise the inconvenience the Mulbagal Taluk will be transferred to Kolar.
